## **PRIVATE SECTOR COUNTERTERRORISM AWARENESS WORKSHOP**

The United States Attorney's Office would like to invite you to attend this **free**, state of the art training. The Anti-Terrorism Advisory Council is pleased to partner with the United States Department of Homeland Security – Protective Security Advisor, InfraGard, the Indiana Department of Homeland Security, and the Indianapolis Downtown Incorporated – Security Partnership to bring you this training.

This workshop is designed to improve the knowledge of Private Sector security professionals by providing exposure to key elements of soft target awareness, surveillance detection, and improvised explosive device (IED) recognition. The workshop training materials enhance and reinforce participants' knowledge, skills, and abilities related to preventing, protecting against, responding to, and recovering from terrorist threats and incidents. This workshop reviews the current development of strategies requiring collaboration of numerous agencies across multiple localities, disciplines and level of government. The workshop outlines specific counterterrorism awareness and prevention actions that reduce vulnerability and mitigate the risk of domestic terrorist attacks.

### **Training topics will include:**

Workshop Introduction

Trends in Terrorism

Soft Target Awareness: Practical Threat Assessment Procedures for the Private Sector
